Subject: Policy for Cellular Devices and Services

The December 2005 Limited Scope Performance Audit *State Use of Cellular Devices* recommended that the Department of Administration “establish a comprehensive cellular device policy”. The Policy for Cellular Devices and Services has been developed to meet this need and is in effect July 21, 2006. The policy may be viewed at: <http://itsd.mt.gov/policy/itpolicy.asp>

This policy falls under the provisions of the Montana Information Technology Act (2-17-505, MCA) that states the Department “shall establish and enforce statewide information technology policies and standards”.

Please e-mail questions or comments to ITpolicy@mt.gov or contact the Policy Manager at (406) 444-2700.

Advisory Disposition: Retain until policy is re-issued.
